

A Guide for Parents/Guardians and all  
adults working with children...

Playing Games Online

The NSPCC have put together a useful  
guide to gaming online -

When, where and how should children be  
playing?

How do you choose a game for your child?

How can you set up parental controls?

You could also visit the Family Gamer  
YouTube Channel, where there are lots of  
2-minute videos for parents about popular  
games
