Newly elected members of Pupil Voice were introduced, welcomed and told a little bit about what Pupil Voice members need to do.

It was decided to take the new Pupil Voice photograph when the weather was better.

A discussion took place around what fund raising ideas the children had for the next two terms. Some ideas were:

A Father's Day sale, A Mother's Day sale, a football match between parents and children, St Nicholas has got talent show and a Tudor show.

Easter ideas were also discussed and the idea of something to do with chocolate was raised by Jacob C. The other children joined in with ideas and it was decided that Pupil Voice members would go back to their classes and ask if they would like to do a chocolate tombola, a chocolate raffle or both!

We will discuss the feedback on these ideas at our next meeting

The meeting finished after 20 minutes.

The next meeting will be held on Thursday 14th February
